

FREE FINANCIAL HEALTH CHECK

Are you financially healthy?

	Your score	Description	Where are you?
VULNERABLE 	0-500	Your financial health is very weak. You should score at least 250 points in each of the three domains. Check in which of the domains you scored the lowest number of points.	
COPING 	501-1,000	Your family is not yet fully healthy, you manage to cope with your finance but not in all aspects of it. You should score at least 250 points in each of the three domains. Check in which of the domains you scored the lowest number of points.	
HEALTHY 	1,001-1,500	Your financial health is very good. But check if you score equally well in all three domains.
