

It is our pleasure to invite you to the regional Forum

FINANCIAL INCLUSION THROUGH MICROFINANCE

on September 22-23, 2016 at 10:00 h

Hotel Marriott, Skopje

Join us when we discuss current topics in the presence of the most relevant stakeholders from the region

The Alliance of Microfinance organizations is organizing this regional forum in cooperation with Savings house Moznosti, Savings house FULM, Microcredit foundation Horizonti and the Macedonian Enterprise Development Foundation, with the support of the USAID' Microfinance Innovation and Inclusion Project.

The Alliance of Microfinance organizations is an association of the leading non-banking microfinance organizations in the country aiming to lead the process of strengthening Microfinance and contribute to improved access to finance in the society.

At the forum, we will have the opportunity to discuss different topics:

- The key role of Microfinance in increasing financial inclusion
- Innovative approaches in providing better access to finance
- The current situation with Microfinance in the region, challenges and opportunities
- The regulatory environment for Microfinance
- Access to EU funding for microfinance

The event will also bring together

- Microfinance networks
- Non-banking financial institutions in the field of Microfinance
- The Regulatory institutions
- Experienced experts from our country and the region
- Donor community representatives.

Share your opinions and experiences and contribute to the process of financial inclusion through microfinance
