

MasterCard Foundation Microfinance Scholarships Program

Application Guidelines

The MasterCard Foundation (MCF) has the pleasure of offering scholarships to participate in the **24th edition of the Boulder Microfinance Training (MFT) in English**. The program will take place from July 23th to August 3th, 2018 at the International Training Center of the International Labour Organisation (ITC-ILO) in Turin, Italy.

Scholarship support to attend this training program will strengthen participants' skillsets and provide new perspectives. This capacity building ultimately strives to improve the access and quality of financial services that participant institutions offer their client base.

MCF scholarships will cover full tuition cost to attend the program. Selection is based on the Boulder Institute Selection Committee's review and assessment of the application and supporting documents. The tuition cost of the program includes courses and program materials. **Scholarships do not include the cost of travel to Turin, accommodations, meals and incidentals. Therefore, selected MCF scholars will need to have the additional financial support necessary to cover these remaining costs.**

The scholarships are directed towards individuals who agree to and meet the following eligibility criteria:

1. Work directly in a microfinance institution.
2. Supervise others within the institution.
3. Commit to give an institutional presentation or participate in discussion panels at the training.
4. Commit to share information with the MasterCard Foundation and the Boulder Institute of Microfinance regarding their experience and what they have learned at the 2018 Boulder MFT in English.
5. Commit to provide a presentation to colleagues within their institution or country on technical knowledge acquired at the 2018 Boulder MFT in English.
