# Event Overview & Program Highlights

## Comprehensive Lectures on ESG Principles

Learn about the critical role of Environmental, Social, and Governance (ESG) principles in the financial sector from top industry experts.

## Understanding GRI Indicators

Gain in-depth insights into Global Reporting Initiative (GRI) standards and how to apply them within your institution.

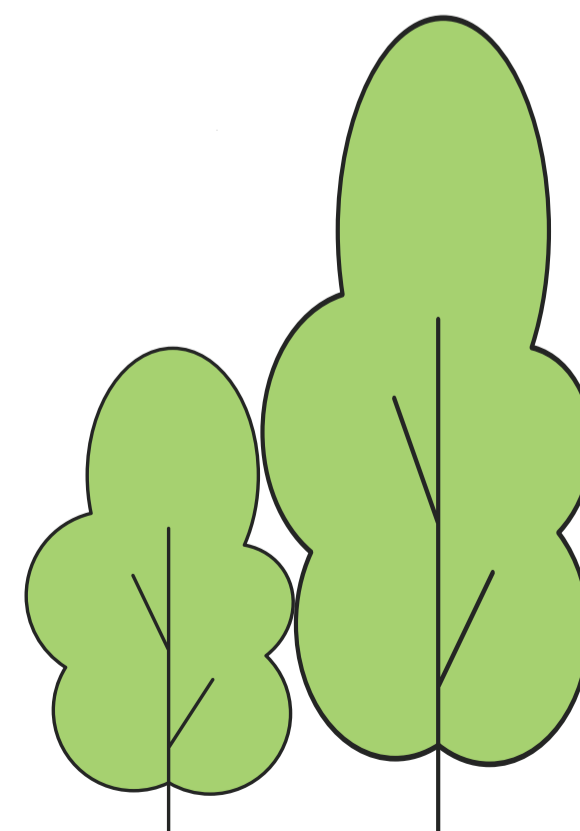

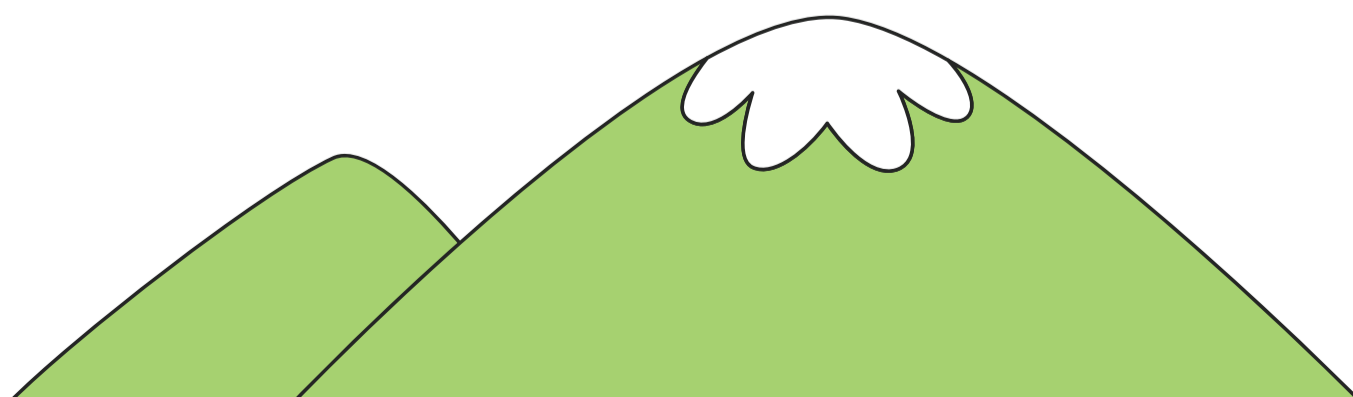

## Sustainability Best Practices

Explore case studies from over 80 microfinance institutions and understand the best practices in sustainability.

## Networking Opportunities

Connect with like-minded executives and industry leaders over curated Spanish cuisine.

**Let's drive impact together!**

## The participation fee includes the following costs

### Special Membership

All attendees will be granted exclusive access to the “AfI ESG Executive Members Club”. This club offers a platform for continuous learning, networking, and sharing best practices among peers dedicated to advancing ESG principles in the financial sector.

### Registration and Fees

Early Bird: before 31st January 2025:  
The program fee is **USD 3.500 per person**, inclusive of all training materials, meals, transport for tours, and certification.

Full Price: The program fee is **USD 4.000 per person**, inclusive of all training materials, meals, transport for tours, and certification.

### How to Register

To confirm your participation please contact me.

We look forward to welcoming you to Valencia for this transformative experience. Together, let’s lead the way in embedding sustainability into the heart of financial services.

### The participation fee includes the following costs:
